

Privacy Policy

Effective Date: 29.05.2025

1. General Information

The Stilim application has been developed to provide users with personalized style recommendations. This privacy policy explains which personal data we collect through our application, how this data is used, and how it is protected.

2. Information Collected

Stilim may collect the following personal information to improve user experience and serve you better:

- Name
- Email address
- Age
- Place of residence (province, district, etc.)
- Profile photo
- Full body photo
- Clothing photos

3. Purpose of Information Use

The collected personal data is used for the following purposes:

- To provide personalized style recommendations
- To create and improve user profiles
- To improve our services and develop the app
- To respond to user requests and questions
- To contact you when necessary

4. Data Storage and Security

Your personal data is protected with necessary security measures against unauthorized access, alteration, or disclosure. Your information is only accessible by the Stilim team and, when necessary, our service providers.

5. Data Sharing

Your personal data is never shared or sold to third parties. Except where required by law, your information is not shared with third parties.

6. Your Rights

Under the Law on the Protection of Personal Data No. 6698 (KVKK), you have the following rights regarding your personal data:

- To learn which of your data is processed
- To request the correction or deletion of your data
- To object to the processing of your data

Please feel free to contact us to exercise your rights or for any questions.

7. Contact

For your questions, requests, or applications, you can contact us via email:
info@cerebrumtechnologies.com

8. Updates

This Privacy Policy may be updated from time to time. Changes take effect as of the date they are published in the application.
